Transmission Line

- ❑ Optical Ground Wire (OPGW), ADSS
- ❑ Insulator (Polymer & Glass)
- ❑ Bird Diverter (LED & Non-LED)
- ❑ Testing Equipment and T&P Machine
- ❑ All type Hardware fittings

Substation

- ❑ Surge Arrester
- ❑ Wave Trap
- ❑ Reactors
- ❑ LT APFC Relay Panel
- ❑ Switchgear

Renewable Energy

- ❑ Battery Energy Storage Systems
- ❑ Alkaline Electrolyser for Green Hydrogen Production
- ❑ Fuel Cell & Components
- ❑ Solar Module and its components

Marketing & Sales

We specialize in developing the demand of a product through our strategized marketing & sales channel

Consultancy

We provide specialized consulting services to help clients bring products or technology to market
